

COVID-19 Case Locations

26 April 2021 – 9am

NSW Aged Care Update

- **Visitors Welcome any time with no restrictions on numbers.**
- **Visitors are welcome to use common areas as long as social distancing is maintained.**

Visitors for residential aged care should not be anyone who:

Visitors (except if they are providing essential care to residents or for compassionate reasons) should not enter residential aged care facilities in NSW if:

- they have been to Perth or the Peel region Western Australia since 17 April 2021

Visitors must not enter the facility at all if they:

- they have been to any Western Australian contact tracing locations in the previous 14 days
- have COVID-19 symptoms - fever (37. 5°C or higher) or symptoms of COVID-19
- have been to any close or casual contact locations in NSW or New Zealand
- are a close contact of a person with confirmed COVID-19 and are within their self-isolation period
- live in a household with a person who is currently self-isolating
- are waiting for a COVID-19 test result.

QLD Aged Care Update

A person must not enter, or remain on, the premises of a residential aged care facility in the State of Queensland if:

- a. during the 14 days immediately preceding the entry, the person who is an **international arrival** arrived in **Australia** from a place outside **Australia**; or
- b. during the 14 days immediately preceding the entry, or since the start date identified for the **COVID-19 hotspot**, whichever is shorter, the person has been in a place which at the time of entry is a **COVID-19 hotspot**; or
- c. during the 14 days immediately preceding the entry, the person had known contact with a person who has a confirmed case of COVID-19; or

*Note: Known contact with a person who has a confirmed case of COVID-19 under paragraph 9(c) **does not** include contact that occurs when a residential aged care worker or healthcare worker or practitioner providing health or medical care has been wearing appropriate PPE in accordance with Queensland Health's **Residential Aged Care Facility and Disability Accommodation PPE Guidance** and has followed recommended infection control precautions.*

- d. the person has a temperature equal to or higher than 37.5 degrees or **symptoms consistent with COVID-19**; or
- e. the person has been tested for COVID-19 and has not yet received the results of that test; or
- f. after 30 May 2021, the person does not have an up-to-date vaccination against influenza, if the vaccination is available to that person.
